

Hi, my name is Leena

A loyal girl!

Large Female Kelpie x Labrador Mix Dog

Leena is a sweet-natured and loyal girl who adores all she meets. She is gentle and doesn't have a mean bone in her body. Lapping up all the attention and love she can get, pats and belly rubs are her favourite. Currently in care with her surrogate baby Tully, ND1038 that she took on, Leena came into care with her litter. She was underweight and had a hard life however has been happy in a foster home with endless love and food. Now healthy and ready for a family of her own, someone who can welcome her into their home to be a member of the household. Leena is good with other animals and is a cruise girl. Looking for a place where she will be walked, exercised, and receive basic training. If you feel you can give this beautiful girl a family of her own, please complete the below with as much information as possible to be considered. Dog Application:
