

Hi, my name is Cassie

Looking for love

Female Domestic Medium Hair Cat

Cassie and her Sister Kattie are dreaming of a home together but we understand it is not always possible so they are on offer individually as well. Both Girls have been in our care for 3 months while their owner was taken care of medically, she has since been placed into a Nursing home and her cats now need a chance to start a new life with someone special. Cassie is a very loving girl but can get worried with new sounds and young children, she is not a fan of dogs but loves her kitty sister... Cassie loves to play and still amuses herself with toys her favourite being ping pongs -she loves to cuddle up with Kattie after a big day of playing. Cassie is ok to be picked up for cuddles and we are sure she would love your lap too. Kattie is more relaxed and prefers to curl up in the sunshine and seems to not be so active in her play, she is not a fan of being carried around but loves her pats for attention she is certainly more reserved then Cassie Both girls are loving and affectionate the home we are seeking is one where there is no young children, no indoor dogs, and a home where...
