

Hi, my name is Lola

Looking for love

Female Domestic Medium Hair Cat

"Dear peasants, my name is Lola and I'm ~1 year old. Most of my life I've lived with a lovely lady, but since she got sick I've moved around a few times and now I'm ready to settle in again in my own little castle. I'm playful and I love running after things. I do the occasional somersault and I can go crazy during zoomies. Sometimes I hunt my mouse down and take it along while running around the place. So much fun! For some reason though, when I include my foster hooman in these play fights, she doesn't seem to like it. But there is so much of her to grab onto! She's just missing out. When my hooman comes home, I'm really glad to see her again. A bit of cuddling and purring and then I'm on my way again. She always seem to want more, but I just want to play then. Or go back to sleep. I don't like laps to lay on, I prefer beds and couches. Normally I'm not too far away though, and I do like my share of head and chin scratches! I'm not really sure what my ideal new home is, but I love some space to run, some plants to chew on (my favourite is the Calathea Freddy so far) and mates
