

Hi, my name is Chewy And Bonnie

Twinsies

Female Short-hair Smooth Hair Guinea Pig

Pocket Pet Sanctuary Chewy (male) and Bonnie (female) are siblings, they both have sas and may give a cheeky groom or nip. They look nearly identical apart from the white on the head, both are quite food orientated and Chewy can get a little bossy. These 2 can be quite active, but at the same time Chewy is quite happy to just flop asleep and Bonnie stays on alert.
