

# Hi, my name is Einstein

One of a kind

## Male Long-hair Guinea Pig

Hi this is Einstein! Einstein is a long-haired male adult guinea pig looking for a forever home.

His coat is very unique and will require grooming. Einstein is a very special guinea pig indeed. He has a very relaxed personality, and you will often see him hanging out. He just wants to be involved! As all guinea pigs, Einstein is slightly skittish and is not yet comfortable being picked up. He does love a good pat though, and enjoys human interaction! However, with some extra love, time, and patience we believe he will be an amazing companion!

Guinea pigs must be adopted in pairs, or to a home that already has guinea pigs.

All guinea pigs will be desexed prior to adoption.
