

Hi, my name is John

Lost Soul needs Love

Male Domestic Short Hair Cat

John was once a loved, cared for cat. His elderly owner passed away and he joined a street colony where he was fed day and night by lovely locals. John is a sweet cat that would flourish with some tender, love and care. He was recently hit by a car and has some damage to his leg giving him a bit of a limp. Xrays show no broken bones but he will always have a limp. John looks like he has lived a tough life and now he needs a home where he can relax and purr his troubles away. He would be best suited to a home with previous cat experience. John comes desexed, vaccinated, flea / worm treated and microchipped. If you would like to enquire, please contact Ellie on 0421717908. We are looking for someone genuinely interested in adding a fur member to their family and who is prepared for a long term pet. We are a rescue group and want the best for our rescue kittens.
