

# Hi, my name is Toothless And Jake ♡♡

## Bonded Best Buds

### Male Domestic Short Hair Cat

Toothless and Jake: Toothless is a very special little guy! He simply LOVES pats, but isn't a fan of being picked up. Toothless is affectionate and loves a good smooch, but may take some time, as many cats can, to earn your trust. He will need a patient family/person to allow him to further come out of his shell. With Jake by his side, this will definitely happen! Jake is officially known as THE PURR MONSTER! He has the loudest purr for such a little guy. He LOVES to play and is just the cuddliest little guy. He adores his bed Bud Toothless and they are inseparable! Toothless and Jake will need to go into a quiet home, with no young children - They will do well in a calm environment so that they (especially Toothless) can feel safe and comfortable. Toothless is a playful little guy, who loves playing with his cat toys, especially his cat wand! Jake loves all of his toys also and these two spend hours entertaining each other and their humans! Can you offer this deserving pair a place to call home?
