Looking for love

Female Domestic Medium Hair Mix Cat

Hi Subjects! Your regal over-pawd Penelope here, reporting for pats and tuna. I was found hanging out at a roundabout, just limping along, minding my own business. Someone decided that was no place for a queen like me so that's how I ended up here. I've been in foster for a couple of months now and as much as I'm having a lovely time I've decided I'd like to let one of you into my life. I am very small so I don't take up too much room and I like sleeping most of the day. I would like 2-3 hours for pats in the evening but as long as you can fulfill those demands I think we'll get along very well. What's in it for you, I hear you ask? I may seem a bit stand-offish at first but I do love to be around humans, I'm just too important to be a lap cat. I've recently had surgery to remove one of my front paws but it doesn't affect me moving around too much. I was in a lot of pain before so it's a relief to not have to worry about that now. I currently live...
