

Hi, my name is Rocky

Looking for love

Male Domestic Short Hair Mix Cat

Hi, my name is Rocky and I'm a very handsome man. I'm mostly black, but with some striking white markings, and one of the loudest purrs you can imagine! I love being stroked under the chin and will look up at you adoringly. While at the shelter I was very sad and nervous - I was surrendered as my owner wasn't able to take care of my anymore. I need a really patient home and I have never been outside so I need to be an indoor only cat. I'm getting used to my foster mother and foster sister...she's black and white like me...but I would love a forever home where I could repay your affection with lots of love.
