

Hi, my name is Herbert

Looking for love

Large Male Medium Crossbreed Mix Dog

Hi there, my name is Herbert, how are you going! I'm a sweet little pup looking for my perfect forever home. I arrived at the shelter with some siblings and my mumma who took great care of me. I'm now ready to fly the nest and become the best canine citizens I can be! Although I'm super cute and small at the moment I will grow into a large-sized dog and will need extensive training and socialisation. Puppy school will be a huge MUST for me. I will need to learn some boundaries and I really hope my family will teach me all about positive reinforcement and how it's going to help me learn. I'm full of beans and will need an active family who can care for my needs. I will need plenty of physical as well as mental stimulation to help keep me busy. I could potentially live with kids and another social dog pending a meet here at the shelter. If you would like to take an active pup like me on to join your family for life then please make an appointment to meet me today!
