

Hi, my name is Tracey

Looking for love

Female Domestic Short Hair Mix Cat

Hi there! I am a lovely older lady who is looking for a new home - I can be a little bit sassy so I would do well in a mature home. Hi, thanks for having me at Purrers Anonymous. My name's Tracey, and I am a purrer. I just can't help myself-I purr morning, noon and night. Lying on the bed, I purr. When you return home from work, I purr. You look at me, I purr. See-I'm an addict. I've been told there are good things about my addiction. My foster mum loves having a rumbly hot water bottle on her bed or on her lap at all times, and I must say, I am a lap cat. You want me on your lap? I'm there. You don't want me? I'm still there. I just want to be close to you and share the satisfaction of my purrs. I also want what you have, food-wise. I don't necessarily want to eat it, I just want it offered to me. I'm quite happy with my special diet and will meow for more. I also like early morning zoomies, but I am generally pretty happy to be left in the sun to purr-I swear, they should convert my purrs into energy, then I could power the whole house. So, maybe being a purrer isn't so bad!...
