Large Female Australian Cattle Dog Mix Dog

All About Me and My Unique Personality: Hi there, my name is Mandy and I am a high energy cattle x pup. I love to a part of the family and play all the time. I am still learning my manners however as I am a pup I learn quickly. If you would like to meet me I would love to have a play date. **My Ideal Home:** I would love to be in a house with someone home to play with me a lot of the time. I would like a family to take me on walks and train me to be a good girl. **What is Known About My Background:** Not much is known about my background however I came into care from the local pound. **How Do I Interact with Kids, Dogs, Cats and Other Pets:** I am an excitable puppy but can learn to be gentle with training
