

Hi, my name is Atlas

Loving & a smooch

Male Ragdoll Mix Cat

Atlas is an amazing Chocolate & White Ragdoll Cross. He is an affectionate boy who would make a wonderful companion. Looking to find his forever family

He appears very healthy and has passed all his vet checks He has tested positive for FIV. While he is not currently showing signs of feline aids this is a Condition that will eventually lead to his death. He can live quite a long healthy life before that happens. Each day is a blessing. He may pass thus to other cats through deep bite wounds - he should be either an only cat or friends with another FIVpositive feline
