

Hi, my name is Jayco

Looking for love

Medium Male American Staffordshire Bull Terrier Mix Dog

Hi there, I'm Jayco, pleased to meet you! I'm a stunning, young blonde looking for a new family to love. I can be a little silly but those who know me think I'm fun, I adore treats and am super eager to please so even when I get a bit over the top I can be bribed back to chill. I love going for long sniff walks with my humans, but can get a little frustrated around other doggies so am looking for a home by myself, or with a tolerant girly dog who is willing to let me in to her life. People tell me that I am quite clever too, so I am hoping my new parents will give me lots of toys and enrichment and things to do with my brain, especially when I am by myself as that can be a little scary. Once I get to know you I am a great snuggler, leaning on you and giving little kisses. If you think your family has a space for a goofy, affectionate lad like myself, please fill out an adoption application today!
