

# Hi, my name is Ginny

## Looking for love

### Female Domestic Short Hair Mix Cat

My Name is, Ginny I'm a super sweet girl who would love to find my forever home! I get very nervous when my routine changes or if something happens that I am not used to. I will need a home without young children and a nice comfy place to call my own as I can get stressed very easily. I don't like being picked up very much, but I sure do love pats on my terms! I have now been in care over 3 months and my new prospective owners would benefit with advice from our Behavioural Team to learn some ways of dealing with my moodiness My adoption fee is \$85 This includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments! If you think I might be the perfect fit for your family, please fill out an adoption application today!
