

Hi, my name is Octavia

Beautiful Young Princess

Female Domestic Medium Hair Mix Cat

Hopefully you won't mind if Octavia rules the roost - she is certainly a medium-haired beauty that is deserving of your admiration. Octavia changes moods quickly and will often let you stroke her, however sometimes she is just not in the mood and will let you know with a quick swat of the paw. If you can provide Octavia with a palace (your home) of her own and accept that she may never be the cuddliest cat around she could be the cat for you. If you're the kind of person who doesn't want a demanding cat, who wants a cat that is happy just to be around doing her own thing (mostly sleeping) then it could be a perfect match. She is after all, just a soft furry princess who needs somewhere loving to sleep. PS Octavia's servants need to be old enough to understand that she has moods too - it's not her fault, it's just the way she is....
