We'd like to introduce the Hamilton litter. Our foster mum is a Hamilton fan and so our names are Alexander, Eliza, Angelica, and Peggy. Peggy is a sweet and gentle little one. She loves to cuddle up with foster brother Max. She also loves a game with her siblings. She has been known to find the food tin wasn't put away and was left with a belly full and a fishy smell. Her pretty long grey hairs over the shorter black hairs make her a very cute little cat. All the Hamilton crew are litter trained, also being used to a closed in litter tray without the gate. This crew will make a great addition to any family.
