

Hi, my name is Pernerlerper

Looking for love

Female Domestic Short Hair Mix Cat

Pernerlerper is a very independent little girl, who doesn't like loud noises or sudden movements but is EXTREMELY playful and feisty when she plays. She doesn't like being stroked much, but will tolerate it along her back. Despite this, she is an affectionate little purr machine, who will sit on your lap, on her terms, and also loves to sleep on the back of the couch near your head or on your shoulder. Better suited to households with older children or young adults, hasn't met a dog but is ok with other cats as long as the introduction is done properly and slowly.
