

Hi, my name is Midnight

Looking for love

Female Domestic Short Hair Mix Cat

Hello, my name's Jayda and I'm so pleased to see you're checking me out. What do you think? Pretty right? What about my rich black coat? Do you like how it shines? It just so happens I'm single and looking for love. I'm searching for that 'special someone' who'll complete my life. A person who'll love and adore me, pamper me and care for me. I was a scared little lady when I came to RSPCA but I'm doing soooooo much better now. I'll still scared get scared by loud noises, sudden noises etc although I'll get over it with some love, pats and yummy food...hint hint. I'm looking for a mature family with a quiet abode and relaxed home life. With their love, patience and reassurance I'll get the chance to be the brave cat I'm supposed to be! Expect it to take a little time for me to settle into my new home. Simply let me do it at my own pace, and I promise your kindness and understanding will be well rewarded. When I'm feeling safe and comfortable, you'll be the recipient of my love and affection. FYI...as well as my home being calm and quiet, I'll shine brightest ...
