

Hi, my name is Bunny

Looking for love

Female Thoroughbred Horse

I am an absolutely stunning mare looking for a home where I can be spoiled rotten and treated like the princess I am. I had a short lived racing career from 2013-2014 but retired early due to injury. Because of this I am only suitable to be rehomed as a companion horse, but boy would I make a gorgeous addition to your paddock! I am such a beautiful girl, with 4 white socks and such a pretty face, you won't be able to resist adding me to your herd. I am great to do everything with - catch, worm, rug, farrier etc. I adore human interaction and love a good brush and a cuddle. I am a social butterfly who is used to living in a paddock with multiple horses so definitely need to go to a home where I won't be left alone in a paddock. If I sound like the perfect addition to your home, please fill out an expression of interest and come and meet me - you won't be disappointed!
