

Hi, my name is Bella

Bully with personality

Medium Female British Bulldog Mix Dog

Bella is available to adoption to a home in the Melbourne area. Bella loves to play tug of war with a rope toy, receive belly rubs and snuggle with her favourite humans on the couch. She is good with kids of school age, no little ones please. Bella likes to go out for a walk, but can pull a bit due to desire to sniff every-thing in the world. Bella isn't a fan of baths, or other dogs - she needs to be an only pet at her new home, and it's going to be suited for Bella to be living in an area that isn't crazy busy with a lot of other dogs being walked all the time.

Bella really likes her family unit, and visitors too as they often offer extra belly rubs and cuddles. Once you get to know Bella you'll wonder how she was ever not part of your family.

Please contact Mini's Bulldog Rescue is you can love me forever

Bella has received TPLO surgery to repair a ruptured canine cruciate ligament, as well as surgery to help her breathe better.
