

Hi, my name is Ginger

Adopt Love!

Male Domestic Short Hair Cat

PLEASE NOTE THAT UNFORTUNATELY WE ARE UNABLE TO FLY OUR ANIMALS EITHER WITHIN WA OR INTERSTATE NAME: Ginger BEFORE SAFE ESPERANCE: Came to SAFE Esperance from the pound. ASSETS: Loads of character, smoochy but independent. He's affectionate on his own terms and responds well to attention from his human. FAVOURITE THINGS: He loves to play with ping pong balls and is happy to play whenever he can! OTHER INFO: Ginger has FIV (feline immunodeficiency virus) and would be fine living with another FIV+ cat. FIV is not as scary as it sounds. It just means that his vaccinations will need to be kept up to date and will need good quality food and regular health checks. He will need to be an inside cat or have access to a secure outside cat run. As long as he's well looked after he should live a long and happy life. Ginger is litter trained and very clean. He is flea-treated, wormed, microchipped and desexed. OTHER ANIMALS: Ginger is sharing his space with another foster, Carlos, who is also FIV+ and they get on well so he could live with another cat if introduced slowly and with care...
