

Hi, my name is Juggy

Looking for love

Male Domestic Short Hair Cat

We are looking for a very special home for two brothers who are bonded together and require a stress free environment. Juggy and Archie are very affectionate, playful 2 year olds who haven't had it easy. They need a fresh start to life where they will be spoilt and loved and cared for in a safe indoor home. They would be fine with children but perhaps not young toddlers. They are from a multi cat household however they are better on their own. Please if you have space to take in two lovable cats - consider giving these two boys a home. These boys are now at our Longford Adoption Centre waiting for their people.
