

Hi, my name is Oscar (42kg)

A big softy

Large Male Great Dane x American Bulldog Mix Dog

Meet gorgeous Oscar he is a sweet and sensitive soul who enjoys a stroll around the block and napping with his foster parents. He currently lives in a multi pet home with 7 different dogs and much appreciates the more respectful dogs. He really doesn't enjoy being jumped all over. At 42kg he still doesn't understand he is not a lap dog and enjoys snuggling up to his humans. He is pretty well behaved young man. He walks well on his gentle leader, can sit, drop, wait for his dinner, is crate trained and toilet trained. Oscar is looking for a quieter home and will take a little time to warm up to the man of the house. Once he loves and warms up to them, he is loyal to the core. Oscar is not suited to a home with pocket pets or cats as they are much too fun to chase. Oscar is fine with children and has previously lived with them however we would recommend teenagers in his new home or no kids at all. He is looking for the quieter life style with new doting parents. He doesn't need a huge yard as he is pretty lazy but does enjoy a daily stroll and cuddle on the couch.
