

# Hi, my name is Gamora

## Sweet and quiet.

### Large Female Greyhound Dog

I am the sweetest girl and have a quiet, gentle personality. I am unsure of new situations at first so will need my new family to take things slowly with me as I adjust. I am worth the extra effort though as will reward you with a friendly, affectionate hound. I will never be the type that wants to go out and about to coffee shops or busy parks, but I will be the type to never leave your side and spend time with you in a home. The GAP staff think with the right patient family I will make a FANTASTIC family member, I just need a bit of extra time to get there. I could live with experienced children over 6 years and think I could cope in a part- or full-time working household.
