

Hi, my name is Pip

Great Companion

Male Domestic Medium Hair Cat

Horsham Rural City Council 3400 Please look up where we are before applying! Our fluffy boy Pip (as in Pip Squeak) is now ready to find a loving home. This boy was one of our grain storage kittens we worked hard to catch after their mother was killed. Pip has been in our care since the 12 November 2020 and has been in foster care being handled, played with and cuddled with an adult and a school age child. Pip is a loving, playful and active boy. He has a medium coat and will make a family very happy. Pip started as a complete black kitten but as he is growing and maturing he has started to change colour. Pip is turning silver and black. Pip's adoption fee is \$250 and he goes to his new home flea and worm treated, desexed, microchipped and had his first vaccination. To find out more about our Pip please email us.
