

Hi, my name is Scout

Looking for love

Male Domestic Short Hair Cat

Scout is a black and white boy with long long whiskers. He has enormous eyes, and dainty white feet, and a little patch of white down the middle of his belly. Scout is usually one of the first to run out the door when we let the kittens out first thing. He runs straight to a human for a quick cuddle and purr, then lets us know that it is time to feed everyone. He is a real character, often lying in wait under a bed or couch for an unsuspecting foot or kitten to pass him by, before leaping out and starting to play. D.O.B. 15th Oct 2020 Please contact us if you would like to arrange a meet with Scout.
