

Hi, my name is Pippa **

Total Love Bug **

Not A Bad Bone In Her

Large Female Great Dane Mix Dog

Pippa is a Lovable goofball, big puppy who is all feet, smiles and laughter... Pippa loves full body pats and she will just melt into you. She also thinks she is a lapdog ☺☺ Pippa is a puppy who is a happy girl who is always smiling. Pippa walks well on the lead, she is a little hesitat hearing traffic and noises so she needs to continue training on her walking on lead. She is not hard at all walking on the lead, she doesn't have major pulling issues but she does need encouragement when out walking until she gets used to the big world. Pippa sleeps well all night. Currently she in a bedroom with another dog also. Pippa loves zooming and does not realise how big she already is so older kids would better suited to her. Pippa has no problems with other dogs or people. Pippa is still a puppy so chewing and mouthing is apparent but she is gentle and will stop with reminders. She is currently on 3 meals and a snack daily. Pippa will make a fantastic addition to any family that is active and will keep up with her training and learning. Pippa is located in Peakhurst in Syd...
