No Energy level: Medium/High Size: 27kgs Hey everybody, I'm Diesel. I am probably the biggest goofball you will ever meet in your life, but my foster mum says that's okay because I'm a sweetie. I have ALOT of love to give but I need a lot of time and energy put into me as I'm still learning. I am getting heaps better though and I always try my best. I'm still learning that it is okay for other dogs to be around my food, you just need to help me with this. I am scared of the cats in the house but I would never hurt them, they just have lots of ouchie claws that I'm not sure about. I also think im a lap dog even though I'm pretty tall and lanky. I just love being around people and will do anything for a cuddle. I am a blank canvas and won't take long to mould into your perfect companion
