

Hi, my name is Albus

Super Purrer 🐱

Male Domestic Short Hair Cat

Oh why hello there! Don't mind me, just havinging out! The names Albus, although I often get called Tuxy! My life started out a bit differently after being found dumped on a building site. The amazing people at HHAR bottle fed myself and my siblings to get us through! I have now put those days behind me as now I live in luxury 🐱 My very good friends from HHAR gave me medicine for the fleas and worms and microchipped and vaccinated me. Honestly I didn't like it very much at the time but it got rid of all the nasties and now I know I won't get lost again. They said I need to be desexed once I'm a little bigger but I know that's only going to be in my best interest. I now love people and demand attention the moment I see you. I love to have my beautiful fur stroked and will reward you with a super loud purr. Actually I purr as soon as I see people because I know how kind and loving they are 🐱 I am now fully litter trained and I'm not fussy with food. I want to find a loving family to call my own who will keep me safely inside with them. If you think I am exactly wha...
