

Hi, my name is Cinnamon (Buddies With Ginger, Cumin, And Mocha)

We're so cute and sweet!

Female Long-hair Peruvian Guinea Pig

These are 4 young guinea pigs that came from one family. The family is relocating back overseas and they are very sad to have them come into rescue. These girls are very well bonded. Ideally, we would love to find a home for all 4 of them but realise that most likely they would find a home in pairs. Ginger is a lovely red Abyssinian and was born on the 1st of Jan 2020. Cumin is a tri-coloured beige and white smooth-coated guinea pig and she was born on the 28th of June 2020. Cinnamon is a dark brown Abyssinian with long hair that has been cut back in the photo. By their description, she may well be a Peruvian. She was born on the 28th of June 2020. Mocha is the smallest guinea pig as she is the youngest. She was born on the 31st of October 2020. Ginger is Mocha's mum although she spends more time with Cinnamon. These are beautiful guinea pigs and have been kept indoors. They are super friendly and wanting to find a new home.
