## So much character!

### Male Domestic Short Hair Cat

Garfield has as much character as the name suggests! He is a beautiful sandy tabby with so much love to give. Garfield is a bit shy at first, however, once he knows you are a good human he will stay by your side all day. He has blossomed at his foster carers home, three days in and he turned into the ultimate movie pal, making the couch his throne. He is incredibly social and has never heard of ""Stranger danger"" when it comes to other cats. He is polite and doesn't hiss at his humans and cat buddies. Garfield is very playful and entertains himself, playing around all day. He does little playful bites when it comes to petting, however, his foster family is working on this habit. Garfield would suit a family home where he is safe and loved! 6 GREAT REASONS TO ADOPT FROM SAFE: / Lifetime guarantee: if you can no longer care for me, SAFE will take me back / Discounted airfares / Adoption fee includes vet check, first vaccination, desex and microchip / Foster care instead of cage confinement, so I get love and socialisation / Speak directly with my foster carer / Quick respons...
