

# Hi, my name is Rafiki

## Looking for love

### Male Domestic Short Hair Cat

Rafiki is a 9 month old young lad who has been given a second chance of life after being hit by a car and having to have surgery involving a broken pelvis and his tail being amputated. Sadly for Rafiki he was surrendered with the hope we could take over his surgery which we did. Rafiki is a very affectionate, chatty social cat who would love a home to now go to after his rehab - This boy is so loving and craves attention - he is playful and wiggles his new butt happily - he actually has a nice looking back end if a cat could have one lol... Rafiki will make you laugh, give you lots of love and cuddles and will truly make you happy - in the mean time we are sure you will return the love! Rafiki is located at our Longford Adoption Centre
