### Female Bunny Rabbit Mix Rabbit

Adoption requirements: - If you are adopting a kit who is unsterilised and you have rabbits at home we will need to see a sterilisation certificate from the vet clinic to verify this. -If you are adopting a rabbit that is not yet vaccinated and have a vaccinated rabbit at home - we will need to see vet records of this. -If you want to adopt a pair of rabbits they will have to be the same sex if unsterilized. Hello friends, it is me! A lil bun-bun, called Chikorita. I am a happy, bouncy and bubbly bun looking for the right place to call my own. I'm only a young little dude that will need a caring, friendly and loving family to treat me like part of the clan. I will need a lovely, safe place to rest where I am protected (I hear most people use these things called hutches).I am also very sensitive and will need to be kept cool in the summer and warm in the winter. I'm only a youngen and will need to come back to the shelter to get desexed and vaccinated when I'm old enough - for this reason, I'm on a special adoption with certain requirements. I will need fresh daily greens an...
