

Hi, my name is Sully

Foster Me?

Medium Male American Staffordshire Terrier x Mixed Breed Mix Dog

I'm Sully! I'm a fit, handsome, well-groomed dude, seeking a master or family of substance. I am 14 in dog years (did I mention I'm a maths whiz too?) Pleased to make your acquaintance! I'm looking for commitment, I am ready to settle down and have a family, so please don't apply if you're only here to play around. I'm a strings-attached kinda guy! I am a friendly, affectionate dog, with so much love to give. I love to play, and would be very happy in a home with another doggy friend to play with and keep me company. I do get anxious when I first meet people, so need time to warm up. I love my doggy friends and don't mind cats, so if you have either I'll be happy to meet them! The more, the merrier! I like long walks on the beach at sunset and sharing special moments with my special human/s. Swipe right. You won't regret it :-). Please contact our team for any further information.
