

# Hi, my name is Elf

## Seal point

### Female Siamese Mix Cat

Elf is a sweet little girl who loves to play and wrestle with her siblings and cuddle up in the blankets on her hooman's bed. She's a tiny little pocket rocket that scoots around the house having fun and loving life. She loves kids, other cats, has had some basic exposure to dogs, and will suit just about any home <3 \* Elf is a Seal Point or Chocolate Point due to her father, and was surrendered to us with her mother, siblings and older siblings. Her mother is a tabby. We have a high price on Elf because we believe rescue animals are no less valuable than intentionally bred animals, in fact bred animals rarely have all their vetwork done when sold to the public which in rescue, is always done, so if you choose to welcome Elf into your family you will be getting a stunning cat with intentionally bred markings (for those who value that sort of thing) with the addition of her vetwork already completed :)

Elf is in wonderful health.
