

Hi, my name is Dobby

Cheeky little boy

Male Domestic Short Hair Mix Cat

Dobby is a very energetic and cheeky young boy. He gets along well with other cats and kittens. He loves to play and get into mischief. During quiet time he is quite affectionate and snuggly. This little boy could fit into most situations as he is very adaptable.

All of our cats and kittens come desexed, microchipped, up to date with vaccinations (may require boosters at owners cost) wormed, flea treated, fully health checked and temperament tested. Ready to find their new homes. All of the cats in our care are kept completely indoors. For their safety we do recommend that this is continued.
