

Hi, my name is Billy

Looking for love

Male Domestic Short Hair Mix Cat

Billy is a cheeky and energetic young boy. He loves to play with other cats and kittens. He is full of life and love. During quiet time he is affectionate and can be snuggly but gets straight back to playing. If you are after a high energy kitten this boy could be the one for you.

All of our cats and kittens come desexed, microchipped, up to date with vaccinations (may require boosters at owners cost) wormed, flea treated, fully health checked and temperament tested. Ready to find their new homes. All of the cats in our care are kept completely indoors. For their safety we do recommend that this is continued.
