

# Hi, my name is Matty

## Love machine

### Male Domestic Short Hair Cat

Matty is now a teenager, he can be a little clingy and doesn't like being left alone, so would do better in a house with another pet to keep him company. He has not been around dogs but he may like a small dog as he loves to play. He is outgoing, energetic, he will need playtime if he doesn't have a friend to burn off all his energy. He also enjoys meeting new people and likes a cuddle, definitely full of beans and loves getting into mischief.
