

Hi, my name is Floyd Dg20 005

AVAILABLE NOW

Large Male Mixed Breed Dog

Floyd is great with other dogs, semi house trained and a gorgeous Caramilk colour. He is quite shy around people and will bark out of fear. He is friendly, just a bit of a fraidy cat.

Floyd's ideal new family will be one with no children and a quiet household. He'd love a doggy friend who is playful and outgoing to help him with his fears, but not a friend who's overbearing

Floyd will be desexed, vaccinated with a C3 Vaccination and must be registered before going to their new home (PLEASE NOTE: 'lifetime' microchip registration only applies to pets adopted within Alice Springs other states may still have annual fees payable) **ALL animals over 6 months of age MUST be registered before leaving the shelter ***New owners have the option of either annual registration \$49.40 per year or a once off fee of \$131.30 for lifetime microchip registration, we HIGHLY recommend choosing the microchip option as it is a guaranteed identification for your pet and cannot be removed or lost as...
