### Female Short-hair Peruvian (Long Haired) Guinea Pig

I have been in foster care with some of my siblings and have really enjoyed spending time with my carer. Since then I have learnt that people are really nice. However we frighten easily our new owners will need to take the time to teach us their not so scary and being with them can be great! Older kids who know how to be calm and gentle would suit me best. An indoor enclosure will help keep me safe from predators and the crazy Melbourne weather as well help familiarize me to my new family. We will need a healthy diet of hay, grass, veg and fruit to keep us fit and healthy!
