

Hi, my name is Pete

Looking for love

Male Domestic Medium Hair Cat

Hi everyone! My name is Pete! I am a very sweet and cuddly boy who's living with other kitties and my foster brother who's a golden retriever. I am also very social and good with kids. My beautiful mum was saved from the bushes and had us 5 days later! So I've been lucky to always feel safe! I am your typical kitten, I get along with everyone, I am a big chunky boy for my age, i am also very handsome and looking for a home to love me and treat me like their family. I love pats and naps and cuddles! If you want a fun, loving, cool kitty! I am your man! I come toilet trained, flea, wormed, desexed, microchipped and vaccinated. I was born 11.11.20, living in Pimpama QLD
