

Hi, my name is Archer

Cuddly and Quiet

Male Domestic Short Hair Cat

Meet Archer! Archer came in as a stray. Seriously though, is he the cutest stray kitty ever.

He has loved his Christmas holiday adventures in care with his foster family and buddy, Habibi (who is also available for adoption). Archer is a quiet boy who loves a cuddle but still enjoys some quality play time. He does well with kids, dogs and other cats and would be great in a home where he could have company during the day. His quiet nature makes him well suited to a smaller family he still does need stimulation and play time to keep him content. If you would like to meet Archer, please contact us.
