

Hi, my name is Licorice

Loves Company

Male Domestic Short Hair Cat

Dashing young male looking for love and friendship. Could you be the one? Hi I'm Licorice, I'm a good looking 13 week old short-haired black kitten and I'm ready to find my forever home. I LOVE company and would be well suited to a family and if you have other pets that want a friend that would be a bonus. I have been bottle raised with four siblings, older cats and a border collie at my foster home so I am good at socializing. I like to play but I'm not one of those crazy cats hanging off the ceiling lights!! (more of a pompom chaser) I particularly like cuddling up on laps for a snooze but I will expect lots of patting and stroking while I'm there. If you want a cat that wants to be with you (like a dog but better) then I'm your man.
