

Hi, my name is Clarence

Cuddly gentle boy

Male Domestic Short Hair Cat

Clarence is an absolute gentleman and will shower you with love. Of a night he knows when it's bedtime and will bunker down in his bed on the couch and suckle on the edge of the pillow until he falls asleep. Of a morning he comes running into the bedroom and jumps on the bed to give you your morning kisses. On some occasions Clarence has snuck into bed during the night and made himself comfortable right next to his foster mum. Clarence loves to play with toys and loves to talk and will tell you when he needs a cuddle or wants you to play with him. Clarence likes to be stroked to sleep behind his ear and if you stop he will let you know. He also loves his afternoon naps either on your lap or cuddled in your arms being rocked to sleep. He has been in care with other older cats and gets on very well with them and loves to play but knows when enough is enough and will respect the cats boundaries. If you're after a beautiful gentle loving kitten then Clarence is the one, he has an amazing personality that will make you laugh all day. Due to his colouring, Clare...
