

Hi, my name is Honey

Big cuddlepot!!

Female Domestic Short Hair Cat

Honey and her sister Minnie (Pet Rescue ID 833159) are delightfully friendly and affectionate 16 week old female kittens who were dumped in a basket at a Western Sydney church when they just 5 weeks old. They purr so loudly when its cuddle time, it's beautiful and soothing!

Honey is very calm and very affectionate, as soon as she sees you she heads straight for your lap, she will settle for cuddles and not want to get up! She loves to meet new people, but she isn't so keen to charge out exploring new places, she will look back at you for reassurance, dear Honey! Honey loves her sister Minnie a lot and the two have really complimentary personalities, it would be great if they could find a home together. Honey is located at Seven Hills. She is desexed, up to date with flea and worm treatment, and she has had all of her kitten vaccinations. She is ready to go to her forever home (indoor only) and she would love to meet you!
