

# Hi, my name is Minnie

## Miss Cheeky!!

### Female Domestic Short Hair Cat

Minnie and her sister Honey (Pet Rescue ID 833149) are delightfully friendly and affectionate 16 week old female kittens who were dumped in a basket at a Western Sydney church when they just 5 weeks old. They purr so loudly when its cuddle time, it's beautiful and soothing! Minnie is highly adventurous, she wants to explore everywhere and meet new friends right away. She has no fear of anyone or anything! She is highly social with people and cats/kittens. Her energy level is very high, open the kitten room door and she comes charging out! Minnie would take quickly to any new environment, however she enjoys cat company and would do best in a house with other cats (or her sister Honey). Minnie is located at Seven Hills. Adoption fee includes desexing, microchip, all her kitten vaccinations, and up to date flea and worming. Minnie is looking for her indoor forever home and she would love to meet you!
