

# Hi, my name is Obi

## Fluffy Purrer

### Male Domestic Medium Hair Cat

Obi is an 8 month old fluffy boy with a blue grey love heart on his chest. This friendly gentle boy just wants to be loved and will seek you out for cuddles and attention. He keeps to himself amongst the other foster kitties curled up in his spot. He waits for the day he can be curled on your lap, couch or bed purring his little heart out. Born and raised in a family home when the undesexed resident cat gave birth in July 2020. He is fully grown, not a fussy eater and is litter trained. He comes desexed, microchipped (#991003000917657), vaccinated, wormed and with flea prevention. Located at Gorokan for Claws n Paws Rescue ☐
