

# Hi, my name is Jerry

## Jerry is very chilled

### Large Male Mixed Breed Dog

Jerry was born 30.03.2018. This gentleman is a fairly big boy and Millaa residents will remember him when he roamed the streets there for a while around Christmas time until finally he was impounded. Although he had a chip, the data wasn't current so he became available to us for rehoming. Jerry might look tough, but he's the biggest softie you could meet. He's great with other dogs, cats, kids, birds. In fact, he is just completely relaxed and chilled wherever he is. He'll play 'till he drops if he has a playmate but he's just as happy to laze around home with his human family. Jerry is just a delight to be around. All of his vetwork has been done so he is desexed, micro chipped, vaccinated and parasite free.
