

# Hi, my name is Ariel

## A smoochy girl!

### Female Domestic Short Hair Cat

This is beautiful Mumma cat Ariel, She made her way to SAFE Newman after being trapped by the Ranger and found on the street alongside her two kittens. Unclaimed, she is now awaiting a home she deserves. She is a doting mother and would do everything she could to take care of her babies, whether that be clean, feed, and of course love - they were both extremely happy and healthy. Ariel is now awaiting a family to call her own where she can relax and enjoy her life, her only care in the world now being how many belly rubs she will be getting for the day. She is very loving with a big purr and beautiful green eyes, she is an absolute stunner. She loves a good chin scratch and back scratches and will do anything to be by her human's side. Ariel is in a home with other cats and also a dog who she has fitted in well with. She would be suited to any home, one with endless food and love as Ariel has so much to share with one lucky family. Please don't look past a beautiful mumma cat, she longs for her happily ever after. 6 GREAT REASONS TO ADOPT FROM SAFE: / Lifetime guarantee: if you ...
